

# New Years Double 2024 / 2025

Preregistrant Listing as of 12/27/2024, 8 AM

## IMPORTANT NOTES:

- \* First and last names are abbreviated because we value the privacy and security of our participants, especially minors. Sorted alphabetical by last name.
- \* Review your timing data carefully. Email info@NewYearsDouble.com with any problems or questions.
- \* Medals and Challenge Plates will BOTH be collected by standing in line at the white tent after you finish each race distance.  
We will have eligibility lists by bib number, and with so many combinations of medals and Plates, we appreciate your understanding that handing them out in a line with a cross check will ensure everyone gets the right items both days!
- \* There are no start corrals. We will remind everyone to line up at the start by expected speed. 5K starts 7 am, Half and Full Marathon starts at 8:30 am. You must start at those times to be included in race results. No late starts.
- \* Shirt size shown is what the participant chose during registration. Description from the question when you chose a shirt:  
This is a fitted cut or relaxed fit technical fabric shirt. Previously the relaxed fit was called a Men's Cut and the fitted a Women's Cut. Fitted cut has a v-neck and more capped sleeves; Relaxed fit cut has a crew neck.
- \* Shirts are sold out. You can swap after your race on that particular day from whatever remains due to no-shows.  
Late entrants say "No Guaranteed Shirt" - you can show the label on the back of your bib afterward and get a shirt from those not picked up.
- \* The race is totally SOLD OUT except for the DAY 5K and DAY Half. No exceptions. No distance changes are available except into those distances but only while we still have spots left.
